September 13, 2016

Dear Road Warrior Corp. supporters,

On behalf of the Road Warriors Corp., thank you for supporting The Crabills' Hallucination Run on September 9-10, 2016. With your generous giving, the event raised about \$1,132 to assist with the health care and household expenses of beneficiaries Landon and Patrick. This ensures financial relief, reduces their family's stress, and increases their sense of support from the surrounding community so they may continue to recover.

The Crabills through the elements of rain, mud, and sweat completed 100k during the event and only managed to develop massively swollen feet and of course blisters. All in all, they succeeded in not only raising funds for our great cause but also proving that they could continue to train for heavy lifting events and ultramarathons, simultaneously. Alex and Brandon can describe first-hand, the pain of an ultra-endurance event like the Hallucination Run, the muscle and bone aching pains that cancer patients endure and moments of questioning one's path.

The Road Warriors Corp., is one of the few charities that's devoted to helping individual cancer patients financially, socially and while running endurance events throughout the year. We are proud to provide excellent and compassionate assistance to all beneficiaries.

We cannot do what we do without the generous support of a caring community. Thank you again for being part of the great work of the Road Warriors Corp.

Most Sincerely,

Brian Thomas, Founder
