Dear Road Warrior Corp. Supporters,

Our good friend and follower **Aziz Alkhamis** took us by surprise when he decided to spearhead a fundraiser, matching the donations he raised, and completed his ultra-run. He, and his personal network, managed to raise about **\$ 2,828** to assist with our mission of caring for our cancer beneficiaries' health care, treatment, and living expenses. We will be sending care packages later this week with letters and items that middle school students created from Brian Thomas' class and gift cards to help these families with food and gas.

Aziz ran 100k at the Urban Ultra-Hajar in Al-Mangof, Kuwait on February 17th, 2017. Finishing the rough terrain race in 13 hours and 31 minutes placed him in 8th place!

The Road Warriors Corp., is one of the few charities that's devoted to helping individual cancer patients financially, socially and while running endurance events throughout the year. We are proud to provide excellent and compassionate assistance to all beneficiaries.

We cannot do what we do without the generous support of a caring community. Thank you, Aziz, and friends for being part of the great work of the Road Warriors Corp.

Healthy regards,

Brian Thomas, Founder
